

# National Wildfire Suppression Association

Preserving & Protecting our Environment

**2011  
Membership  
drive**

## NWSA Power of One

In 2011 we are starting a new membership drive. Help us keep your costs down and encourage your peers to join.

We have prepared Business Cards with information about joining NWSA. Just pass them out to companies on the fireline, meetings, or any event. Spread the word about NWSA and see how the Power of One can help us build a strong voice of Professional Private Fire Services.

You are the Power of One and can help us make a difference with your participation in this drive.

- Enlist four new Voting Members and get your 2012 membership free.
- We have added a line on the membership application to show referred by.
- These must be current non members and must be at the \$200 Voting Level.
